AERB/445/TAC/ACC/RSD/RT/BY-500/2012/ 9115

July 12, 2012

Renewal of Type Approval Certificate for Medical Electron Accelerator Model Siddharth Manufactured by M/s. Society for Applied Microwave Electronics Engineering and Research (SAMEER), Mumbai.

1. M/s. Society for Applied Microwave Electronics Engineering and Research (SAMEER), Mumbai is hereby informed that the Atomic Energy Regulatory Board (AERB) renews the type approval of Medical Electron Accelerator Model Siddharth manufactured by M/s. SAMEER, Mumbai for manufacture, installation and use in India for radiotherapy.
2. The preset photon energy of the medical electron accelerator model Siddharth shall not exceed 6 MV.
3. This type approval is valid till July 31, 2015
4. This type approval becomes invalid if any change is made in the approved medical electron accelerator model Siddharth.
5. The medical electron accelerator model Siddharth shall be supplied only to person authorised by Radiological Safety Division, AERB, Mumbai and installed only at authorised premise. A copy of this certificate shall be provided to the user prior to supply of the unit.
6. M/s. SAMEER, Mumbai shall be responsible for manufacture, supply, installation, commissioning, servicing, maintenance, providing spares and decommissioning/dismantling of the medical electron accelerator model Siddharth.
7. M/s. SAMEER, Mumbai shall keep AERB informed about the supply, installation, commissioning, servicing, maintenance, decommissioning and performance status of the medical electron accelerator model Siddharth. Such information shall be in the form of reports to AERB in the months of January and July every year.
8. The manufacture and supply of the unit after the expiry of the type approval is conditional upon revalidation of the type approval.
