

**ADVERTISEMENT NO.02/2020**

In view of the lock down due to Covid-19, the online process of submission of application against advertisement no.02/2020 was temporarily suspended. The online portal will now be activated on 17<sup>th</sup> August 2020 and will remain open for submission of application till 16<sup>th</sup> September 2020. The last date for submission of print out of the application will be 15<sup>th</sup> October 2020.

Those candidates who have already completed the online submission of application and posted the print out need not submit again. Those who have completed the online submission but not send the print out of application by post may now send the same till 15<sup>th</sup> October 2020.

Cut-off date for age limit indicated in the advertisement remain unchanged. (30<sup>th</sup> April 2020).

The cut-off date mentioned in clause No.8 of the advertisement stands revised as follows:

1. Educational qualifications – Date of interview in place of 31<sup>st</sup> August 2020.
2. Experience - No change

Date of written examination and interview will be notified subsequently.

Those who have registered and are yet to complete the process can resume and make final submissions from 17<sup>th</sup> August 2020.

FAQs on queries raised earlier are furnished below for the information of the candidates.

<b>FAQ ON QUALIFICATIONS</b>	
<p>1. My qualification is M. Sc (Electronics). Whether I am eligible to apply for the post advertised with qualification of Degree in Electronics?</p> <p>2. I am a graduate in B.Sc Electronics and Post Graduation in M.Sc Electronics Will I be eligible for the post of Scientist B (EL).</p>	<p>Yes. Candidates with qualification of M.Sc (Electronics)/M.Sc (Applied Electronics) are eligible to apply.</p>
<p>3. My UG was in Electronics &amp; communication engineering. But there is option like Electronics &amp; telecommunication and simply Electronic engineering, what to choose in between them?</p>	<p>For the post of Scientist-B with qualifications of Electronics or Electronics and Telecommunications, candidates with degrees with different nomenclature like Electronics &amp; Communications, Electrical, Electronics, Instrumentation, Radiophysics and Electroics can also apply.</p>

	In case the exact degree is not mentioned in the drop down menu, please choose OTHER degree and add appropriate degree title.
4. My branch is B.tech in Electrical and Electronics engineering. Can I apply for the post of scientist B MRF serial no .	Yes. You may also refer reply at sr.no.3
5. I am Postgraduate as M.Tech (Environmental Science and Engineering) with knowledge of Matlab, SPSS software. Whether I am eligible for post of Scientist-B Atmospheric science?	Yes
6. I have completed my B. Tech, M. Tech, 16 months worked as Research Fellow in a Govt. lab and since 2 years, I am a Ph.D. scholar. Whether I am eligible to apply for the post of Scientist-C	No. The requirement of experience is post qualification. Please refer column "experience" given under the post. However you are eligible to apply for Scientist-B post subject to meeting the other conditions.
7. I have a M. Tech degree with two year teaching experience before the M. Tech. Currently I am working as a JRF. Whether I am eligible to apply for the post of Scientist-C?	No. The requirement of experience is post qualification. Please refer column "experience" given under the post. You are eligible to apply for the post of Scientist-B subject to meeting other eligibility conditions. Please refer to 6
8. I am a research scholar. There is no option to enter the marks if the university has grading system. Few universities there are only grading system and no formula for conversion to the percentage marks. If my grade is added in the online application form, the server is not accepting.	Entering marks is mandatory. However, in case any University has only grading system, the candidate can enter assumptive equivalent marks and give explanation as 'comments' below the signature in the hardcopy.

### FAQ ON FILLING THE ONLINE APPLICATIONS

<p>9. Signature on photo is required while uploading photo, or photo and signature should Upload separately.</p>	<p>Separately.</p>
<p>10. I have submitted my Ph.D. thesis in RF &amp; Microwave and waiting for my final defense which will be before the month of August 2020. What should I fill in the Educational Qualification "Month &amp; year of Passing"?</p> <p>11. For a person whose PhD is not yet awarded but eligible to apply (under the condition that his/her degree will be completed by 31<sup>st</sup> August 2020), how the date of completion of PhD degree should be mentioned in the online application form. There is no option to skip the date of completion or to mention the status of the PhD.</p>	<p>Expected month and year of passing may be indicated</p>
<p>12. While filling the online application form, it is mandatory to fill up details of Employment record/Employment details for candidate even with PhD. But for candidates with Ph.D does not require any work experience. How the form can be submitted by the eligible Ph.D candidates.</p>	<p>Candidates with qualification of Ph.D may proceed without entering experience details.</p>
<p>13. My name is XXXXX in all the documents while I am filling registration form it is asking to enter LAST NAME which I don't have in any documents. What should i fill in that column as it is mandatory column to submit for registration.</p>	<p>Enter the same name in all the fields.</p>

<b>FAQ ON GENERAL ISSUES</b>	
14. I am working in central government office under probationary period. So which one shall I select Regular/ Ad-hoc/ Contract in the proforma- VI.	Regular
15. I am currently working as a contract employee in an autonomous and non profit organisation under government of India. Whether I have to produce NOC by my employer or not.	Yes. NoC is required to be submitted at the time of interview. Please refer instruction at sr. No. 15 (xi)
16. I am eligible to apply for both Scientist-B and Scientist-C. Is the examination for candidates who have applied for more than one post different or combined?	Scheme of written examination shall be objective type and will be based on GATE syllabus and pattern for Electronics and communication engineering (EC) for serial no 1 to 3 (common examination for posts at sr.no.1 to 3), Physics (PH) for the post at Sr.No. 4 and 5 (common examination for posts at Sr No.4 & 5) and Atmospheric sciences (XE-H) for post at sr. no.6. Interviews will be separate for each post/field. Please refer clause at Sr. No.4 (b)
17. I have applied for the Scientist B, but I am not able to send the application form by Post due Lockdown. Kindly give us any information whether there will be any consideration regarding this situation.	All candidates who have completed the submission of application but could not send the hard copy by post can send the same now to reach us on or before 15.10.2020
18. I am applying for a post for the reserved category. But I am unable to obtain the certificate from the Government authorities due to lock down/pandemic. So in this condition what can I do?	You can submit the certificates at the time of interview.

19. Is the post of current recruitment is permanent basis or contract basis or temporary basis?	All advertised posts are on regular basis.
20. I did the payment twice. Whether I will get the refund?	No. Please refer clause at Sr.No.15 (iv)
21. I am a SC candidate and I want to apply for a post reserved other than for SC. Whether I should pay the application fee mentioned for SC or General.	Application fee is payable as per category and not as per the post. So you need to pay the application fee as per your category.
